**Laser Spine Institute Chief Corporate Ops Officer
To Serve On Univ. Of Tampa Board Of Counselors**
Jimmy St. Louis Serves On Board Of Higher Education

TAMPA, FLA. – Laser Spine Institute, (<http://www.laserspineinstitute.com>) the leader in endoscopic spine surgery, has announced that Jimmy St. Louis, MBA, PMP and chief corporate operations officer, will serve on the board of counselors for the University of Tampa, a volunteer committee whose mission aims to increase student retention while assisting in the public recognition of, understanding of and confidence in the university. In this position, St. Louis' focus will be staying involved with the career services department helping students with the transition from academics to full-time employment. In addition to these activities, St. Louis will work with other counselors to organize social events that raise awareness and funds for the university, as well as act as mentors for the students of the University of Tampa.

QUOTES:

"I am excited by the opportunity to serve on the University of Tampa Board of Counselors," said St. Louis. "Everyone at Laser Spine Institute is committed to promoting the welfare of higher education, and this is an excellent opportunity to serve our community."
