**Laser Spine Institute Announces May Seminars**  
*Leader In Endoscopic Spine Surgery Offers  
Complimentary Medical Presentations And Treatment Options*

TAMPA, FLA. – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced the company's May schedule of medical seminars. The complimentary series of educational presentations will explore how endoscopic, laser-assisted procedures are used to treat chronic back and neck pain with minimally invasive spine surgery. Participants are encouraged to bring MRI films or CT scans to be reviewed by board-certified physicians who can offer specific treatment options or advice. For more information, visit <http://www.spineseminar.com>.
