**Laser Spine Institute Philadelphia Names Brian E. Capaldi, D.C.
New Doctor For Consultation And Seminars**
*Leader In Endoscopic Spine Surgery Taps Chiropractic Physician
For Villanova's Men And Women Basketball Teams*

PHILADELPHIA – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced that Dr. Brian E. Capaldi has joined the facility as the newest chiropractic physician on staff to serve as a consultant as well as a speaker at spinal seminars. A certified personal trainer by the American Council on Exercise and strength and conditioning coach by the American College of Sports Medicine, Dr. Capaldi has served as chiropractic physician for the men's and women's basketball teams at Villanova University, as well as the Conestoga Rugby Club men's high school team. In 2002 Dr. Capaldi established Peak Potential Center in Malvern, Pa., where he served as owner, chiropractor and adjunctive therapist before joining Laser Spine Institute.

QUOTE:

"Dr. Capaldi's extensive experience in sports medicine makes him an excellent addition to our Philadelphia team," said Horne. "His perspective and advice on addressing back and neck pain will benefit our patients as well as add additional expertise to our top team of medical professionals on staff."

DETAILS:

- Dr. Capaldi earned his Doctor of Chiropractic, Adjunctive Procedures from Palmer College of Chiropractic in Davenport, Iowa, and served his chiropractic internship at Harleysville Family Chiropractic in Harleysville, Pa.
- Following his training, he first served as a personal trainer at Kinetic Sport Club in Worcester, Pa.
- In addition to his successful private practice, Dr. Capaldi served as an adjunct faculty member of Palmer College in Hyderabad, India, in 2005.

ABOUT LASER SPINE INSTITUTE:

Laser Spine Institute offers a safe and effective alternative to open back and neck surgery, by using the latest techniques in minimally invasive procedures, alleviating the painful symptoms of sufferers from around the world. The leader in endoscopic spine surgery, Laser Spine Institute treats a variety of spinal conditions, including spinal stenosis, degenerative disc disease, pinched nerves, bone spurs,

bulging/herniated discs and sciatica. Laser Spine Institute's renowned medical team provides treatment at three accredited surgical centers in Tampa, Fla.; Scottsdale, Ariz. and Philadelphia and medical consultations at facilities in Albuquerque, N.M.; Cincinnati, San Diego, The Villages, Fla. and Fort Lauderdale, Fla. Laser Spine Institute recently opened a new surgery center in Oklahoma City. For more information, visit <http://www.laserspineinstitute.com>.
