Laser Spine Institute Oklahoma City Names Bert Lindvall New Executive Director
*Leader In Endoscopic Spine Surgery Hires From Within For
New Leadership In Oklahoma City Office*

OKLAHOMA CITY – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced that Bert Lindvall has joined the Oklahoma City surgical center as executive director. In this position, Lindvall is responsible for providing guidance and overall corporate direction, developing and implementing strategic organizational business plans and overseeing board collaboration and day-to-day functionality. Since November 2010, Lindvall has served as client coordinator, managing all clinical operations, for Laser Spine Institute/Aspen Back and Body in Aspen, Colo.

QUOTE:

“We are pleased to have Bert join and lead our Oklahoma City team as executive director,” said Horne. “His experience as a business manager paired with his uncompromising commitment to building and maintaining strong client relationships and providing outstanding customer service will make him a great asset to our medical team.”
