**Laser Spine Institute Named One Of Tampa's
Fastest-Growing Privately Held Companies
*Leader In Endoscopic Spine Surgery Ranked On
Tampa Bay Business Journal's 2011 Fast 50 List***

TAMPA, FLA. – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced that the institute has been ranked one of the fastest-growing privately held companies in the Tampa area on *Tampa Bay Business Journal's* 2011 Fast 50 Awards list. The company was ranked No. 47 and recognized for its contributions to the growth and success of the community at an awards luncheon on July 21 at A La Carte Event Pavilion in Tampa.

QUOTES:

"To be recognized by not only *Tampa Bay Business Journal*, but also local peers and professionals is an honor and a testament to the work our entire staff is committed to each day," said Horne. "This award could easily be handed to each and every individual who makes up the Laser Spine Institute organization, as they are the driving force behind the improvements made in our patients' lives and the greater healthcare community."

DETAILS:

- Awarded companies were selected based on a revenue growth evaluation performed by CBIZ Kirkland Russ Murphy & Tapp, a public accounting firm based in Clearwater, Fla.

ABOUT LASER SPINE INSTITUTE:

Laser Spine Institute offers a safe and effective alternative to open back and neck surgery, by using the latest techniques in minimally invasive procedures, alleviating the painful symptoms of sufferers from around the world. The leader in endoscopic spine surgery, Laser Spine Institute treats a variety of spinal conditions, including spinal stenosis, degenerative disc disease, pinched

nerves, bone spurs, bulging/herniated discs and sciatica. Laser Spine Institute's renowned medical team provides treatment at three accredited surgical centers in Tampa, Fla.; Scottsdale, Ariz. and Philadelphia and medical consultations at facilities in Albuquerque, N.M.; Cincinnati, San Diego, The Villages, Fla. and Fort Lauderdale, Fla. Laser Spine Institute recently opened a new surgery center in Oklahoma City. For more information, visit <http://www.laserspineinstitute.com>.
