Laser Spine Institute Announces September Seminars
Leader In Endoscopic Spine Surgery Offers
Complimentary Medical Presentations And Treatment Options

TAMPA, FLA. – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced the company's September schedule of medical seminars. The complimentary series of educational presentations will explore how endoscopic, laser-assisted procedures are used to treat chronic back and neck pain through the utilization of minimally invasive spine surgery. Participants are encouraged to bring MRI films or CT scans to be reviewed by board-certified physicians who can offer specific treatment options and advice.
