Laser Spine Institute Named To Inc. 5000 List For The Second Consecutive Year
Leader In Endoscopic Spine Surgery Again Named One Of Nation's
Fastest-Growing Private Companies

TAMPA, FLA. – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced that Laser Spine Institute has been recognized by *Inc.* magazine as one of America's fastest-growing privately held companies for the second consecutive year. The gold standard of entrepreneurial success, the Inc. 5000, recognizes the nation's top 5,000 fastest-growing businesses based on accumulated revenue growth in 2010. Businesses named to Inc. 5000 must be U.S.-based, privately held, for-profit, independent organizations. With 76 percent growth experienced in the last three years, Laser Spine Institute ranked No. 2,833 overall and No. 248 in the healthcare category. The minimally invasive spine surgery provider ranked in the top ten percent based on revenue, and nineteenth among health firms with headquarters in Florida. Among Tampa-based companies, Laser Spine Institute ranked No. 40 among 69 area businesses that made the list.

QUOTE:

"As an organization, we are dedicated to growing a quality-oriented internal system of employees and improving the physical health of all patients we serve," said Horne. "To be listed among so many prominent companies is an honor, and we will continue our strides in consistently providing the most effective medical care possible."
