**Laser Spine Institute Chief Operating Officer Recognized
By Becker's ASC Review**

*Dotty Bollinger Chosen As One Of 130 Great Women Leaders In The
ASC Industry By Becker's ASC Review*

TAMPA, FLA. – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced that Dotty Bollinger, RN, JD, LHCRM, and chief operating officer, has been named to the list of “130 Great Women Leaders in the ASC Industry” by *Becker's ASC Review*. The list is an assemblage of female leaders within the ambulatory surgery center industry, distinguishing those who enhance efficiency and encourage quality patient care. Instituting processes and procedures for company effectiveness and growth, Bollinger led the effort to implement electronic medical records in all Laser Spine Institute facilities and the company's efforts in acquiring AAAHC accreditation. Bollinger frequently speaks on topics including infection control, accreditation and overall patient safety efforts.

QUOTES:

“To be named as one of the great women leaders in the ambulatory surgery center industry is a remarkable accomplishment,” said Horne. “She is a key leader at Laser Spine Institute, not only because of her knowledge, but also because of her vision for growth and improvement in all areas within healthcare.”
