Laser Spine Institute Announces December Seminars
Leader In Endoscopic Spine Surgery Offers
Complimentary Medical Presentations And Treatment Options

TAMPA, FLA. – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced the company's December schedule of medical seminars. The complimentary series of educational presentations will explore how endoscopic, laser-assisted procedures are used to treat chronic back and neck pain through the utilization of minimally invasive spine surgery. Participants are encouraged to bring MRIs or CT scans to be reviewed by physicians who can offer specific treatment options and advice.

- **Tuesday, Dec. 6 at 4 p.m. and Wednesday, Dec. 7 at noon** at Hilton Garden Inn – Harrisburg East, located at 3943 TecPort Drive in Harrisburg.

QUOTES:

“Laser Spine Institute is pleased to announce the December spine seminar schedule,” said Horne. “These events are an opportunity for participants to openly discuss the questions they have regarding surgery or their condition and learn more about Laser Spine Institute’s minimally invasive procedures. These educational presentations provide participants with detailed information on actual conditions, possible treatments and effective alternatives to open back and neck surgery by our professional staff.”
