Laser Spine Institute Orthopedic Spine Surgeon Completes 3,000th Surgery *Leader In Endoscopic Spine Surgery Honors Dr. Zoltan Berezcki On Achievement*

TAMPA, FLA. – Bill Horne, CEO of Laser Spine Institute (<http://www.laserspineinstitute.com>), the leader in endoscopic spine surgery, has announced that Zoltan Berezcki, D.O., recently completed his 3,000th surgery since joining the organization in 2007. The orthopedic spine surgeon was honored at a special celebration at Laser Spine Institute on Monday, Nov. 14 for his positive impact on the lives of so many patients. A licensed physician of osteopathic medicine in Florida, Berezcki maintains affiliation with the Florida Osteopathic Medical Association. Focusing his career on providing his patients with state-of-the-art endoscopic procedures that help relieve the pain and disability caused by herniated discs, spinal stenosis, arthritis of the spine and many other spinal conditions, Berezcki maintains memberships in the American Academy of Orthopedic Surgeons, the American Osteopathic Academy of Orthopedic Surgeons, the American Osteopathic Association and the North American Spine Society.

Berezcki earned a Bachelor of Science in biology from Union College in Schenectady, N.Y. He went on to complete his Doctorate in Osteopathic Medicine from Lake Erie College of Osteopathic Medicine in Erie, Pa., followed by a fellowship at Allegheny General Hospital in Pittsburgh. Berezcki broadened his expertise by completing his surgical training in pediatric orthopedics at the Shriners Hospital for Children in Erie prior to joining Laser Spine Institute.

QUOTE:

“Dr. Berezcki embodies the mission of Laser Spine Institute, which is to provide patients with the latest in endoscopic surgical technology, while still making compassionate, individualized patient care a top priority,” said Horne. He is an integral member of Laser Spine Institute’s team, and he strives to help patients rediscover a life without pain through the use of minimally invasive outpatient spine procedures.”

“I chose the medical field because I am motivated to help people experience a fully functioning life without having to suffer constant back or neck pain,” said Berezcki. “The ability to help heal those in need is the most rewarding career I could have ever imagined.”
