**Laser Spine Institute Presents At
Orthopedic, Spine and Pain Management Driven ASC Conference**
Dotty J. Bollinger And Jimmy St. Louis Speaking At 8th Annual Conference

TAMPA, FL. – Bill Horne, CEO of Laser Spine Institute (www.laserspinesinstitute.com), the leader in minimally invasive spine surgery, has announced that Dotty Bollinger, RN, JD, LHRM, CHC, CASC and senior vice president of medical operations, and Jimmy St. Louis, MBA, PMP and senior vice president of corporate operations, are speaking at the 8th Annual Orthopedic, Spine and Pain Management Driven Ambulatory Surgery Center (ASC) Conference being held Thursday, June 10 and Friday, June 11 at the Westin Hotel located at 909 North Michigan Ave. in Chicago.

Bollinger will discuss Enterprise Risk Management on Thursday, June 10 from 4:05 p.m. to 4:40 p.m. during a track on Business Planning for ASCs, Spine, Orthopedics, and Pain. During her presentation, Bollinger will address what enterprise risk management is and what it is designed to do, as well as how to implement a successful ERM program.

St. Louis will present during a track on Orthopedic and Spine ASC Issues on Friday, June 11 from 1:30 p.m. to 2:05 p.m. He will cover New Procedure Advancements for Spine Centers, which will offer detailed information on Laser Spine Institute, including its processes and approaches.

QUOTES:

“Laser Spine Institute is led by a team with incredible industry knowledge and experience,” said Horne. “We are pleased to have Dotty and Jimmy representing Laser Spine Institute, and offering tremendous insight to attendees at the 8th Annual Orthopedic, Spine and Pain Management Driven ASC Conference.”
