**Laser Spine Institute Announces Physician's Seminar
For Health Care Professionals**
Company Offers Educational Event In Boca Raton

BOCA RATON, FLA. – Bill Horne, CEO of Laser Spine Institute, (<http://www.laserspineinstitute.com>) the leader in minimally invasive spine surgery, has announced that the company will host a physician's seminar for health care professionals on Thursday, July 8 at the Boca Raton Resort located at 501 E. Camino Real. Dr. Michael Perry, a board-certified physician and medical director at Laser Spine Institute, will give a brief presentation on Laser Spine Institute's advanced endoscopic approach, including how it differs from other spine surgery providers and why the company's patient satisfaction is so high. For more information or to register for the seminar online, contact Adam Vaughan at (561) 542-4884 or avaughan@laserspineinstitute.com.

QUOTES:

"Laser Spine Institute is pleased to host this physician's seminar," said Horne. "We are looking forward to deepening our existing relationships as well as cultivating new ones with health care professionals."
